The Department of Health Science has a limited number of internship grant awards available for public health majors who will be doing an exemplary internship that will require travel outside of Utah County in order to complete their required or elective internship credits. There are 2 scholarship cycles: December (for students doing internships currently or in the Winter) and March (for students doing internship currently or in spring/summer). The following checklist must be met prior to applying for the department internship grant award. This is a competitive grant; not all who apply will be awarded money.

Please check each item when complete. Incomplete applications will be denied and the applicant will not receive funds.

- Students must be a public health major, in any of the 4 emphases.
- Students must have completed the required prerequisite courses for their emphasis prior to (not concurrently) the beginning of their internship, with a C- or greater. Verification of completion will be performed.
- Students must have attended a mandatory internship meeting (January or September).
- Students must be traveling outside of Utah County for their internship during Fall 2017 or Winter 2018.
- Students must have completed form A, B, and C online. Refer to manual with questions.
- Form D (Master Agreement) must be in process.
